

DORC Club meeting agenda 5-03-07

Committee members in attendance –
Kyle, Dave, Michael, Jon, Pete

Apologies-
Steve, Emma, Tim

Minutes from previous meeting-
Read and accepted

Treasurers' report-
Emma away so no up to date financial situation.
Emma asked about the money from Optus – Jon to advise date money will be available – should be prior 31st March

Business-

1. Bill to be voted on to committee as Web Master – accepted by all present to go ahead
2. Position soon to be vacant for secretary. Expressions of interest to be sought from committee members first and then general club members if not from committee – Dave to ask Bill to advertise position on website.
3. Web Site – new updates including photos, profiles, calendar. Bill is working on forms for Workshops with Steve
4. Land access issues – Kyle's update on Holmes Jungle Situation with CBF grant.
Kyle gave update on grant and sought further advice on how to utilise funds if and when the grant is approved. Various discussions about timing equipment and use of witch hats to mark race tracks.
Issues on purchasing a trailer were raised and the for's and against going ahead if the funds became available. It was decided that Jon would investigate the cost of a basic trailer.
Kyle gave update on trail marking at Holmes Jungle and also variations suggested by Matt from Parks and Wildlife in areas of concern. Kyle to follow up with Parks and Wildlife to know when preliminary track building can go ahead.

Permits required for Charles Darwin Race? Tim or Dave to ask question –
Dave to ask Tim to follow up with this issue with Dal Hartley

5. Bike maintenance and skills courses

Update from Steve on maintenance courses to be started 21/22 April – due to study, Steve was unable to attend but previous advice from Steve was that the planning for the first maintenance course was on schedule.

Kyle put forward his ideas on a skill course to be up and running ASAP. Jon advised that he was able to assist with this course of basic training.

Kyle to discuss with Steve to send email out seeking help to present this course.

6. Working bees- next one Saturday 17th to hopefully finish clearing in time for Race. Send email out to remaining people about it.

April left free to add first working bee at Holmes Jungle as soon as ok is formally given by Parks and Wildlife

7. Newsletter update from Michael – Due to success of website maybe it is the time now to discontinue the newsletter. Perhaps a club flyer could be made by Michael for distribution at shops. – Michaels computer died with all templates on it. Decided to produce a club flyer to distribute instead of newsletter. Pete had some ideas on layout. Michael to move with it.

8. Sponsors –

IMBA books from Ground Effect. Proposal still to written up for up to \$1000 grant. – Dave to discuss with Dal where htis money could be utilised

No. plates nearly ready from Healthy Life. Will have to put together ad for web page and also raise invoice for Nunz

9. Decide what to do with casual riders on group rides. Charge a fee? Gold coin donation introduced for next calendar – gold coin donation introduced for racing only.

Kyle to contact MTBA in regards to what is required for social rides.

11. Michael suggested that maps of tracks could be placed on website www.bikely.com?

10. Jon advised that he had contacted Mountain Biking Australia and Australia Mountainbike for club details to be advertised in both magazines. MBA gave virtually an instant response but AM yet to respond.

Next meeting at Emmas. 2 Gilbert St. Parap. 2nd April @ 7pm.

Meeting closed at 8:30pm
